

BMHC18X242 5BZ

Raised 18 x 24 24-Bolt Manhole

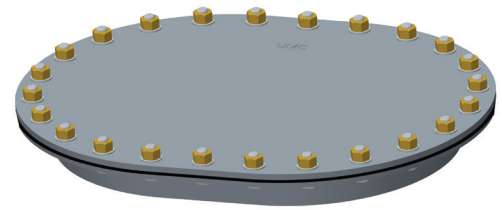

Baier's complete line of multi-bolt manholes serve as a great option for applications where frequent access to a compartment is not required. These manholes feature simple designs, utilize high strength steel and are available in different configurations and hardware combinations to meet your requirements.

Features

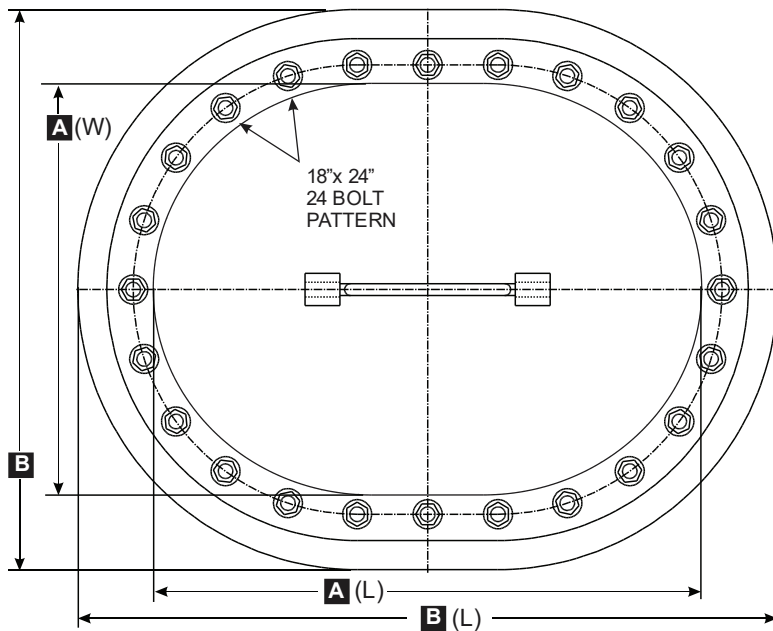

- Hex Head Bolt - Zinc Plated Steel
- Hex Nut - Stainless Steel
- Washer - Brass
- Gasket - Nitrile Rubber

Steel (ASTM A36)
Painted Primer Grey

Various hardware options available upon request.
High-quality UV resistant BUNA-N Rubber gaskets ensure a water tight seal resistant to cracking and memory fatigue.
Meets ABS (American Bureau of Shipping) requirements for design and materials.
